Things to bring with you

1. Swim suit, sun block, towel, water shoes/flip-flops, hat, etc.
2. Money to purchase food, or you may bring your own lunch (no glass items)
3. Plastic bag for wet items (suit, towel, etc)
4. Dry clothes for the ride home

Things to leave at home

1. Electronic devices should be left at home. If you choose to bring these items and something is stolen or damaged, you assume all responsibility.
2. Anything that is unacceptable on campus during the school day is also unacceptable on a school trip. If you need guidance on specific items, ask a band director.

Please note that the buses that take us down may not be the same buses that bring us back. Anything you bring with you needs to stay with you the whole day, or it must fit into a locker. Items that you place in a locker may get wet, so bring a waterproof bag for things that you want to stay dry.

BAD WEATHER? Schlitterbahn will be open unless there is lightning or severe weather.

- If the weather looks bad the morning of the trip, you may call the band hall at (512) 704-0835 and listen to the voicemail to see if the trip has been cancelled. The weather will have to be severe for us to cancel!
- In the event that bad weather causes Schlitterbahn to close, parents may call the band hall at (512) 704-0835 for information regarding when the group will arrive back on campus.

You must have a permission slip on file to participate in this trip. If you have paid for this trip, but are unable to attend, you will be given the ticket that we ordered on your behalf. You may use this ticket at the New Braunfels location of Schlitterbahn.

If you bring your own lunch, please do not bring glass containers. All bags are checked upon entry. Chaperones will have an area under the umbrellas near the lockers that will be our “home base” for the day. You may put your personal belongings in this area, but there is no guarantee that they will be secure. It is highly recommended that you put any valuables in a locker.

Lock your money and personal items in a locker instead of keeping them in your pocket where they may fall out in the rides. Schlitterbahn is not responsible for items that are lost or stolen in the park.
