

# Spring Solo Recitals

Walsh Band Parents and Students,

We are excited to present our spring solo recital series. This is an opportunity for students to perform a solo on their instrument and demonstrate their individual musicianship skills. We will also be giving students an opportunity to showcase their work in a few of our after-school ensembles.

All students are required to attend their instrument recital, although not every student will perform. Listening and evaluating are essential skills in developing musicianship. Stay after the recital for a few minutes for refreshments and to congratulate the performers.

Dress for performers is nice-casual. No shorts or t-shirts please.

All recitals will take place in the cafeteria.
