

## **Walsh Middle School Band Fall Chamber Music Recital**

Wednesday, October 25, 2017

**Walsh Middle School Cafeteria**

We are proud to present our Fall Chamber Music Recital on Wednesday, October 25. Chamber Music is music performed by a small number of people, frequently without a conductor. Without a leader in front of the group, the ensemble members learn to be more independent, and must also collaborate in order to communicate one unified idea to the audience. Being prepared, confident, and knowing how to work together with others are three essential skills that every student will not only use in the music classroom, but in all aspects of life. This concert will be an opportunity for students to showcase their interpersonal-musical techniques and perform great music!

### **Concert Band, Symphonic Band and Honor Band Performance Itinerary**

*Due to limited space in the cafeteria, the woodwinds and brass / percussion will perform two different recitals.*
