

Walsh Band Private Lesson Program

Student Name: _____

Instrument: _____

Grade: _____

Parent Phone Number: _____

Parents Email Address: _____

Weekly private lessons are available for either 60, 30, or 23 minutes and will be scheduled by the private lesson teacher. Lesson prices are set by RRISD based on years of experience of the private instructor. All payments are made to the private lesson teacher.

I am interested in:

_____ 60-minute lessons \$32 to \$46.00

_____ 30-minute lessons \$16 to \$23.00

_____ 23-minute lessons \$12 to \$17.50

Financial Aid

_____ I seek financial aid for a portion of the lesson cost. I understand that scholarships will not be available for the entire lesson cost. Scholarship funds are primarily provided by the high school band booster program. Once funds are depleted, private lesson scholarships will not be available.

If you are requesting financial aid, please indicate how much, per week, you can contribute to the cost of private lessons.

_____ I would be interested in sponsoring a student in need of financial assistance to take private lessons. You will be contacted by Mrs. Bergeron for more details.

My child has permission to participate in the Round Rock ISD Individual Music Instruction Program. I have read the information regarding this program, and I agree to all conditions for participation. I will not hold the Round Rock ISD or any of its staff liable in the event of default by a private instructor.

Private Lesson Scheduling

Our private teachers work to make sure that every student who is interested can take private lessons. Scheduling is difficult with such a large program, so it is helpful to know which times students are available. Sharing your availability is also helpful in scheduling make-up lessons if there is a school holiday or a student is sick.

Please indicate the days and times that your child will be available to take private lessons by placing a check next to listed time slots.
